PRODUCTS

Onboarding Hub	Frictionless onboarding: a smart form, a visual timeline with automatic dates and invitation-based access.
Rate Calendar	Your rate strategy, from proposal to auditable digital signature: floor and ceiling bands, rules by day and season.
Golden Book 360	The weekly revenue report that owners actually read: executive KPIs, Pickup 360 and narrative analysis with AI.
Task Manager	All the work between your hotel and your team in one place: tasks, subtasks, attachments and requests.
Executive Dashboard	Your portfolio at a glance: weighted RevPAR, 8-week trends and all your documents.
Fibonacci	Our revenue management system: it recommends each night's rate based on pickup, destination demand and market prices.
Musée	The direct booking engine
Performance	Revenue, Marketing and Engine in one dashboard

AGENTS

Ada · Project manager	Keeps track of the team's tasks, status and reminders, and turns meeting minutes into tasks.
Leo · Revenue manager	Reads your data in Fibonacci, explains the patterns and proposes rate and promotion adjustments.
Hermie · Booking agent	Handles the Reservations Center and the Musée chat with real availability, and quotes travel agents by email (public commissionable or net rates).

HOW WE WORK

From the first coffee to results, in six steps.

01
Discovery call
We listen to your hotel, your goals and your moment.

02
Diagnostic
We audit your commercial operation: rates, channels, direct bookings and digital presence.

03
Proposal with a clear ROI
A plan with goals, scope and expected return.

04
Onboarding
Invitation-based access, a smart form and a timeline with dates in your Onboarding Hub.

05
Execution
Your atelier works the plan and you see every update in atelier suite.

06
Results
Golden Book 360 every week, a biweekly meeting and a monthly scorecard.

SERVICE MODELS
